

## How will you help these students learn and grow?

For just ....	You can provide...	Why this helps
<input type="checkbox"/> \$4.54/day, \$127.12/month, \$1,016/year	<b>Meals for 10 learners</b>	<p>A meal is provided for each student daily, and students who stay for study sessions receive an extra meal.</p> <p>The need is great due to the rate of unemployment and families where women are the sole bread winners, or a household headed by children. For some, this is the only guaranteed meal of the day.</p> <p>The fire which raged through Knysna in June exacerbated the need.</p>
<input type="checkbox"/> \$25 <input type="checkbox"/> \$30	<b>School supplies</b>	<p>The school can provide only a minimal writing books and textbooks; the rest must be supplied by the learners themselves, including supplies like notebooks, pens, pencils, writing tablets, etc</p> <p>\$25 buys a scientific calculator; \$30 purchases the other school supplies for the year</p>
<input type="checkbox"/> \$68	<b>School Uniforms for one student</b>	<p>In a setting of poverty, school uniforms allow students to be on an equal footing and keep the focus on education.</p> <p>\$68 provide a uniform for one student for the year: 5 shirts, 2 pants or skirts, 2 pair of shoes, 5 pair of socks, 1 sweater, a school tie, and a belt.</p>
<input type="checkbox"/> \$100	<b>Tutoring sessions held twice a week</b>	<p>After-school tutoring sessions are another intervention to support learning and help those who are struggling to keep up and not drop out. In these sessions, the teacher is able to repeat and revise some concepts which were not clear during a lesson.</p> <p>For about \$100/session, 60 students are divided into 3 groups to receive extra help for 2 hours.</p>
<input type="checkbox"/> _____	<b>Computers for the school library</b>	<p>Computers for students are limited to 24 tablets for 800 students. To make learning and teaching efficient and productive, computers are needed for the library. Students are able to use them to do research and assignments, including access to Google.</p> <p>The move from textbooks to e-learning is not only efficient, but prepares students for the modern world.</p>
<input type="checkbox"/> Soccer team \$325 <input type="checkbox"/> Rugby team \$528 <input type="checkbox"/> Netball team \$284	<b>Sports uniforms for the team</b>	<p>The school participates in sports to help develop the ability to work as a team, to compete in a positive manner, and to have fun while experiencing challenges. Each team member needs 2 sets of uniforms.</p>
